

# Sansibar Gin Lounge & Terrace

## Drinks List

Our bartenders are renowned for their skill in cocktail creation & celebration! They have spent many hours working tirelessly to produce a drinks list celebrating the gods of Juniper and a few others in a supporting category. Our cocktails are a mixture of classic, contemporary and innovative – something for everyone.

For those who do not fancy a mixed drink, we have a wide array of beers, wines, spirits and premium softs. Many of our drinks feature Sansibar's very own infusions – made by our 'tenders with the freshest, local ingredients we can find. Our method is simple: Take the best ingredients, add the time & love of our bartenders shake well and pour.
